

**Are you a mature female entrepreneur tired of undercharging
and wanting to overcome your fears and raise your fees with confidence?**

By filling out this survey you will be applying for the [Right Fit Conversation](#). This will be a phone interview. Please allow up to 50 minutes for our talk. After our focused talk you will be clearer on concerns you have and the results you want around raising your fees. Congratulations on giving yourself this opportunity and thank you for sharing your time with me.

Step 1 Fill out the get-to-know-you survey below. If you qualify, someone will contact you right away to arrange a time for your complimentary session with the Raise Your Fees Mentor

Step 2 If you get contacted, schedule the call using the link provided. Please keep in mind availability is limited to a certain number per week. Appointments are booked in the order they are received and approved.

Don't delay filling out the survey and sending it in. Staying where you are has a cost and you know that. Give yourself the opportunity to be proud of what you earn!

Survey

1. Provide your full name, e-mail address and phone number (will not share with anyone or use for marketing without your permission)
2. Are you ready to get out of your comfort zone and start to make friends with your fears?
3. What is the biggest block (to raising your fees) that you aware of?
4. Do you see underpricing your services as a pattern? If so why? If not why?
5. What are some ways you have tried to help yourself raise your fees - programs you have invested in or other ways you have tried to solve your undercharging? If they helped, why? If those other ways didn't help, why not?
6. Pick a time you did raise your fees- what was that experience like before and after you took that step?

7. Why do you feel ready NOW and not before?

8. Have you considered closing your business because of lack of income? When?

9. Is giving away your time to clients and not getting paid a way that you undercharge? What's a recent case where you did that? Give details please.

10. What is one block you have that you think will keep you stuck in your situation of not charging more?

11. Have you ever heard from your clients that you don't charge enough? What went through your mind at the time?

12. If you were confident about raising your fees how much more would your income be per year?

13. On a scale of 1-10 (10 Very Ready) how ready are you to invest financially, emotionally and mentally in solving these problems once and for all?

Congratulations on giving yourself this opportunity and thank you for sharing your time with me!
